FOR IMMEDIATE RELEASE

October 31, 2025

Fill the Box Donation Drive-Thru Benefitting Courage Connection

Help the City of Urbana Police Department “fill the box” at our Donation Drive-Thru for Courage Connection, from 3 to 7 p.m., Friday, November 7, 2025.

Domestic violence affects far too many families in Urbana. The Urbana Police Department is proud to support Courage Connection, which provides shelter, resources, and hope for survivors.

“When we come together as a community to support organizations like Courage Connection, we’re sending a powerful message that every person deserves to feel safe and supported,” Police Chief, Larry D. Boone said.

Vehicles will enter from the east on Urbana Avenue, proceed up the drive towards the first fire bay, drop-off their donated items before the vehicles enter the fire bay, exit through the bay, and turn right on Vine Street to exit.

Some of the items needed are soap, dinnerware, deodorant, cups, and many other items. View the [wishlist](#) to see the needed items, shop locally, and drop them off at the Donation Drive-Thru!

There are many other ways to help:

Option 1: Order items from the [wishlist](#) and have them shipped directly to Courage Connection or have them shipped to you and drop them off at the Urbana Police

Department.

Option 2: Make a [financial gift to Courage Connection](#).

“I’m proud of the compassion and generosity shown by the Urbana Police Department and the people of Urbana,” Chief Boone added.

Join the Urbana Police Department for our Donation Drive-Thru for Courage Connection on Friday, November 7, and help us “fill the box” with much-needed donations.

Domestic violence impacts too many families in our community, and the Urbana Police Department is honored to stand with Courage Connection, an organization that offers shelter, support, and hope to survivors.
