- 3) Entering international students at UIUC will be assessed an additional \$521 per semester tuition surcharge except for majors in liberal arts and sciences, business, information sciences, and engineering differential rate programs. The assessment will be \$1,324 per semester for majors in liberal arts and sciences who are not assessed the engineering international differential, \$3,192 per semester for majors in business, \$1,303 per semester for majors in information sciences, and \$3,192 per semester for engineering differential paying programs. UIUC international students, that fall into the category of students who are not, or are no longer eligible for the tuition guarantee, will be assessed an international tuition differential, consistent with current practices. International students assessed the business and College of Engineering and engineering-related program differential will only be assessed the program differential and program international differential above the base non-resident rate and will not also be assessed the non-resident program differential.
- 4) Juniors in the Human Development and Family Studies program in the College of ACES at UIUC will be assessed a \$1,095 practical experience supervision fee.
